

To whom it may concern:

I am a local college student in Myrtle Beach, South Carolina. I am writing to encourage you to reconsider your decision to allow LPFM to take priority over current FM stations. I am an avid listener of nationally broadcast KLOVE Christian radio (88.9 FM in Myrtle Beach). I listen to KLOVE on a daily basis, often more than our locally broadcast stations. Allowing LPFM to take over current FM stations could possibly take KLOVE off the air in the Myrtle Beach area. Please consider other options that would ensure that nationally broadcast stations such as KLOVE would remain on the air in our area. Thank you for considering my opinion.

Sincerely,

Mike Heiser
